1. Attached are my recommendations for Fiscal Year 1973
Representation Allowances for Chiefs of European Division Field
Stations.

2. Please note that the amount of [REDACTED] being requested
for FY 1973 is slightly higher than the amount [REDACTED] approved
for Fiscal Year 1972. This is due in part to the devaluation of
the U.S. Dollar in relation to the various European currencies
and accounts for the increases of \$300 in [REDACTED]
\$200 in the [REDACTED] and \$100 in [REDACTED]. The
increase of \$1,000 in [REDACTED] is accounted for by the author-
ization granted to the COS for the sharing of one-half of the
cost of his only servant which was approved by reference (b).
The increase of \$300 for [REDACTED] is for the purpose of accommodat-
ing to the increased cost of the Chief of Station's only servant
for which he is claiming one-half of the cost against his
representation authorization. The decrease of \$900 for [REDACTED]
is predicated on the reduced rate of obligation of representation
expenses of that Station as reflected in current Fiscal Year 1972
